PRAY FOR MISSIONS EVERY DAY AT 1:08 P.M.!

Set the alarm on your phone to 1:08 p.m. every day and PRAY for missionaries and the mission work that God has called us all to do according to Acts 1:8.

ROOTS OF FAITH

Interested in learning and growing in your faith and life? Want to become a member of Beautiful Savior Lutheran Church?

Classes meet Wednesdays, at 6:30 p.m. This is an introductory level class to the Christian faith, but it's unlike any you've probably been to. Find out what God's up to and invite a friend to join you!

FEED MY STARVING CHILDREN

Thanks to those who donated food items for Spokane Valley Partners collection barrels. There may be another opportunity to help as we prepare for the Feed My Starving Children MobilePack on March 25-26, 2022. Volunteers will prepare 124,000 meal packs to feed children in other countries.. The cost of each pack is 24 cents. Set aside a quarter every day and donate it to the event next March.

EVERYONE HAS A STORY

Let's get to know more about our members. Please write a few paragraphs about your life story. Here are some things to consider when writing. Where were you born? Essential lessons from childhood. What do you do for work? Advice to the next generation, words to live by, favorite bible verse, hobby or unusual talent, how long have you been a member of BSLC, what event or person has affected your faith journey and anything else that makes your story unique. These stories will be in upcoming newsletters.

Send your short story to office@beautifulsaviorspokane.org.

CONGREGATIONAL KUDOS CORNER

Our members and staff do many things to help support the congregation and ELC. Each month there will be space in the newsletter where you can share "Kudos" to someone or "someones" to thank them for their time and commitment. Send the name(s) and what they do to the office. Your name is optional.

ELC ANNOUNCEMENT

Did you know that our school is in its 50th year this year? Our school is in such an incredible place right now and we have the most amazing teachers and staff! We are almost at capacity in the school and in our childcare. In the past year and a half, we have added two new programs and even hired an aide. We are looking forward to a building program to expand our childcare portion of our school to serve even more students in our community. Our financial state is healthy and strong. And we have built up a community of families that love and support one another like never before!

I have decided that, on this good note, I need to step away from being a director. My reasons for doing so are to take care of some serious health issues as well as some separate personal issues. There is nothing that “has happened” to cause me to leave and I will continue to be a huge supporter of our school ministry. If our school was not in such a good place, I would not feel comfortable doing so.

I met with the School Board on Sunday and we worked out a plan of transition and my last official day will be Thursday, October 7th. I will continue to work from home after that for a few hours a week to help bridge the gap while the school board interviews for the position. In the meantime, we have some of the staff filling in to help out with key areas until the new director is hired.

I will miss the students and families that I have come to love. I will see them at the concerts and some events in the future. So, this is not a “Goodbye” but a “See you soon!”

FALL SUNDAY SCHOOL AT BEAUTIFUL SAVIOR

What Will It Look Like? Help Us Find Out!

After more than a year of being unable to meet together for weekly, face-to-face Sunday School classes, we are excited to announce that the time has come for Sunday School to return! If you're wondering what those classes will like, you're invited to help us find out!

Beginning Sunday, October 3 we will offer Sunday School during the 9:15 am education hour in the downstairs middle classroom. For now, DCE Jackie will lead a lesson and activities for all ages together. As we get a feel for how many participants we have and how we can most safely and effectively gather together, we will make adjustments to classroom arrangements. If your family is currently unable to participate on Sunday mornings, but is interested in another means of “attending” Sunday School, please let Jackie know.

We're looking forward to another great year of diving into God's Word to learn more about His good news and what it means for our lives! We hope you can join us on Sunday mornings, or let us know how best we can be supporting your family during this season!
